

ASTERIX

“First ever Teachers Training in Odisha on Astronomy and Astrophysics”

15th & 16th August, 2023

Speakers

Prof. Mayank N Vahia, (Retired),
Department of Astronomy and Astrophysics,
Tata Institute of Fundamental Research (TIFR) Mumbai.

Prof. Ajit Mohan Srivastava, (Retired),
Institute of Physics, (IOP) Bhubaneswar:

Prof. Mahesh Shetti
Assistant Professor, Physics Department,
Wilson College Chowpatty, Mumbai

Programme Details:

15th August 2023

10:00am to 10:15am	Welcome address
10:15am to 10:45am	Informal discussions with teachers by Mr. Jyoti Ranjan Tripathy (Convenor, Science Movement)
10:45am to 11:15am	Discussions on Astronomy and Astrophysics by Prof. Ajit Mohan Srivastava
11:15am to 11:30 am	Tea Break
11:30am to 1:00 pm	Powers of 10 on Astronomy and Astrophysics by Prof. Mayank Vahia
1:00pm to 2:00 pm	Lunch Break
2:00pm to 3:30 pm	Basic concepts in astronomical dynamics by Prof. Mahesh Shetti
3:30pm to 3:45 pm	Tea Break
3:45pm to 5:30pm	Problem-solving in astronomy by Prof. Mahesh Shetti

16th August 2023

10:00am to 11:30am	Basic concepts in astrophysics by Prof. Mayank Vahia
11:30am to 11:45am	Tea Break
11:45am to 1:00pm	Ideas and Concepts on the Universe by Prof. Ajit Mohan Srivastava
1:00pm to 2:00pm	Lunch Break
2:00pm to 5:30pm	Solving problems from past Olympiads by Prof. Mahesh Shetti.

Venue:
